We at Living Healthy 24 take pride in serving people from all walks of life and delivering what they need and whenever they need. Founded by Mr. Manoj Kumar Bajaj, its website is now available on desktop as well as mobile and now we are aiming to go global soon which is not a far fetched dream.

At Living Healthy 24, we are using a franchise model to create Kolkata's first organized network of pharmacy stores, complete with a doctor's office and pathology services, all under one roof. Our health portal and accompanying mobile application, livinghealthy24.com, are being created with technology at the core of the brand and will be useful to people all over the world.
