Magicrete Building Solutions Private Limited is one of India's leading manufacturers of AAC Blocks, Waterproofing products, Precast products, lightweight concrete blocks, and other green building materials. Our products are manufactured using Autoclaved Aerated Concrete (AAC) - a path-breaking technology in the construction Industry. We have state-of-the-art manufacturing facilities at Navsari, near Surat on the Mumbai-Surat highway & in Jhajjar, Haryana near Gurgaon, which ensures a smooth supply of raw materials close to thermal power plants. Our total installed capacity is 800,000 CBM/annum equivalent to the walling requirement for 1000 high-rise buildings. Over the years we have earned a reputed market position based on our genuine commitment to providing world-class products at affordable prices.
