We are a healthcare group founded by [Endocrinologist in Hyderabad](#). Our vision is to provide personalized and evidence-based health care for patients with Endocrine Disorders. Common disorders include Diabetes, Obesity, Thyroid dysfunction, and PCOS. All these disorders require repeated examination by the doctor, quality laboratory evidence-based prescribing, nurse /dietitian educators, podiatrists, preventive cardiologists, urologists, and many more professionals. He can be reached at:+91 7680053237 or magnacodemarredpally@gmail.com.
