Maine Lobster Now is a seafood delivery company specializing in fresh, sustainably sourced Maine lobster and other high-quality seafood. The company offers live lobster, lobster meat, tails, and a variety of seafood, including crab and salmon, shipped directly to customers nationwide. Committed to quality and sustainability, Maine Lobster Now partners with local fisheries to ensure responsible sourcing. The company provides an easy online ordering experience, delivering fresh seafood to homes, restaurants, and businesses. Maine Lobster Now is a trusted source for fresh Maine lobster and seafood, known for its quality and convenience.
