The leading provider of professional air duct cleaning and dryer vent cleaning services in South Bend, IN, and surrounding areas. With our passion for clean and healthy indoor environments, we are dedicated to ensuring that your home or business has fresh, pure air. We understand the importance of maintaining a pristine home. Our comprehensive services help achieve that. Established in 2004, Michiana Duct Cleaning started with 1 owner and 1 truck, since we have expanded to 3 trucks and have become a family, veteran-owned and operated local business. Marc and Nick (father and son duo) take pride in offering services that go beyond removing dust and debris. The services we offer help improve your quality of life inside your home. Our team utilizes state-of-the-art equipment and techniques to thoroughly clean your air ducts and dryer vents, ensuring optimal performance and efficiency. Give us a call today to schedule your inspection and cleaning. The leading provider of professional air duct cleaning and dryer vent cleaning services in South Bend, IN, and surrounding areas.
