At Mini Masterminds, Guildford Child Care Centre we set ourselves apart by offering a unique and innovative Prep School Program which we developed in consultation with an experienced Primary School teacher, Mr Jacob Camilleri. Our special program exposes the children at our Guildford Child Care Centre to the correct NSW formation font and focusses not just on the Early Years Framework but also the Early Stage 1 curriculum as well. By masterfully merging their lessons in Pre-school and Kindergarten, we aim to prepare our children for their next chapter in life.
