All of Ms. Lillian's Self Storage units are secure to ensure the safety of your items. They'll be locked down using heavy duty storage locks and our facility is surrounded by a strongly built fence. Tenants are only allowed into the facility using their passcode. We've made it easy to store inside our ground floor units since they're drive-up accessible. Pack up your vehicle, drive to the facility, drive your vehicle right up to your unit door and get all of your belongings moved in. Bring your vehicle to us if you can't find room to park it at home. We have uncovered spaces here on our property that will fit your RV, car, boat or any other vehicle.
