New Generation Landscaping and Fence takes pride in our unique designs and the high quality of our work. We have been in business for years and have a team of highly skilled and licensed professionals. We specialize in both landscaping and fence installation, and our years of experience have allowed us to perfect our craft.

New Generation Landscaping and Fence is a full-service landscaping and fencing company that has been serving the greater MA area. We specialize in residential and commercial landscape designs, masonry work, fences, decks, patios, retaining walls, irrigation systems, lighting installations, and more.

Our goal is to create a beautiful outdoor space that will be enjoyed by you and your family for years to come. Our team of experienced professionals takes great pride in their craftsmanship and always strives to exceed customer expectations.

We understand how important it is to have an inviting outdoor living space that can be admired from both inside and out. That's why we use only the highest quality materials, the latest technologies, and best practices to create perfect outdoor living spaces that will last for generations.

We offer a wide range of landscaping services including landscape design, masonry work, fence installation, deck building, patio construction, retaining wall installation, and much more. Our team of professionals has the experience necessary to ensure that every detail is taken care of properly and in a timely manner.
