For over 50 years, Occupational Assessment Services (OAS) Corp has been a leader in providing Vocational Expert and [Life Care Planning Services](#) to law firms nationwide. We work in conjunction with attorneys to evaluate the employability, earning capacity, and future long-term medical needs of severely injured persons.

OAS has served as experts on many multi-million dollar outcomes including a record-setting \$102 million verdict in a NY catastrophic injury case. Through objective consulting, analysis and [vocational testing](#), we specialize in [assisting attorneys in documenting damages](#).
