Orbit Submersible Pumps & Motors: Efficient, Durable, and Innovative Water Management Solutions

Orbit Submersible Pumps & Motors is a proud division of Vishvakarma Engineering Works, we stand as one of India's most trusted manufacturers and suppliers of submersible pumps and motors. With a rich history and a commitment to excellence, we provide reliable and efficient water management solutions that cater to a wide range of applications, from agricultural and industrial to domestic use.

Our Legacy Founded under the visionary leadership of Shri. Rameshbhai Panchal and guided by Kiranbhai R. Panchal, Vishvakarma Engineering Works has been a cornerstone of the Indian submersible pump industry since 1990. Over three decades of innovation and trust have positioned us as a global leader, known for our technical expertise, precision engineering, and unwavering commitment to quality.

Who We Are Orbit Submersible Pumps & Motors harnesses the legacy of Vishvakarma Engineering Works to deliver cutting-edge pumping solutions. We specialize in developing products that meet the highest standards of performance, efficiency, and durability. Our mission is to provide customers with reliable, innovative, and sustainable solutions for their water management needs.

Our Products:

Our diverse product range is designed to meet various industry demands:

- **Submersible Pumps: V4, V5, V6, V8**
-

- **Open Well Pumps**
- Electric Motors
- Self-Priming Pumps
- Centrifugal Monoblock Pumps
- Solar DC Submersible Pump Sets

Industry Applications:

Our products serve a wide array of sectors, including:

- **Residential**
- Commercial
- Agricultural
- Industrial

Certifications:

Our commitment to quality and innovation is backed by a range of certifications:

- **ISO 9001-2008 Certified**
- BSCIC Certifications - NABCB
- Energy Savings Certificates (ESCs)
- ISI Certification
- JAS-ANZ
- BEE Certification

Why Choose Orbit Submersible Pumps & Motors?

- **Superior Quality:** Our products are crafted with the finest materials and cutting-edge engineering, ensuring durability and reliable performance.
- **Innovative Solutions:** We offer versatile designs to meet diverse water management needs.
- **Customizable Offerings:** Tailored solutions for unique project requirements.
- **Affordable Excellence:** Competitive pricing without compromising on quality.
- **Sustainability Focus:** Energy-efficient and eco-friendly designs support sustainable practices while reducing operational costs.
- **Reliable Support:** Dedicated after-sales service ensures smooth operations and prompt assistance.

Your Water's Best Friend, Our Pump, Your Peace of Mind! Choose Orbit Submersible Pumps & Motors for reliable, efficient, and innovative water management solutions tailored to your needs. With our legacy of excellence and a focus on customer satisfaction, we are your trusted partner in submersible pumps and motors.
