In the year 2000, the foundation stone of exterior paving in India was laid by VPJ Group. The company started as a manufacturer of exterior paving tiles. Quickly, we earned a reputation for world class quality and excellent customer service. To manufacture cutting edge vitrified tiles, plant and machinery was imported from Italy and China. Annually, the production capacity of the plants is 9.2 Million SQM per year.

Today, Pavit is available in 248 cities, with a strong network of 616 dealers, 700 architects and supplies to more than 700 builders across the country as well as catering to overseas market consistently working towards strengthening the PAVIT brand. Pavit Ceramics has become an “Elite Member of Indian Green Building Council (IGBC)” corresponding to its efforts in producing eco-friendly merchandise.

PCPL is the only Indian company to manufacture tiles in the size range of 100 x 100 mm to 1200 x 600 mm and offering colour customization as per requirements of the architects and customers. Pavit has recently launched 2 variants – full body vitrified tiles and colour body digital tiles with glitter effect in 1200 x 600 mm tiles & Step in large format with size of 1200 x 300 mm and riser in 1200 x 600 mm.

The leaders of the Indian Construction Industry like DLF, Raheja's, Hiranandani, ,L & T, , Sobha developers, Shapoorji Pallonji and many more have supported and endorsed the brand Pavit. The Company strengthened its position with patronage of corporate clients like Renault, Ashok Leyland, TATA Motors, TATA Housing, Infosys, Maruti Nexa, Maruti True Value etc. along with government projects like MES, indian railways, airport authority of india and CPWD.
