### Jacksonville Personal Injury Lawyer – Florida

Slips, trips, and falls can happen anywhere – in retail stores, parking lots, apartment complexes, restaurants, hotels, and more. These accidents often occur due to a property owner's negligence. When an injury results from a hazardous condition that could have been prevented, the property owner may be held accountable for the incident.

### Personal Injury Claims Lawyer in Jacksonville

[Personal injury](#) cases involve harm caused by another party's negligence. These cases can include slips and falls, as well as claims involving negligent maintenance, security, or product defects.

Most personal injury cases are settled informally through mediation or arbitration, where the parties involved, their insurers, and their legal representatives reach a settlement agreement for financial compensation rather than pursuing a trial. However, if a settlement isn't reached, a formal lawsuit is filed by submitting a civil complaint, claiming negligence that caused harm.

For those injured in a slip, trip, or fall, it's important to act quickly, as there are time limits, known as statutes of limitations, within which a claim must be filed. These time limits vary by state and the nature of the injury.

If you've suffered a personal injury due to a slip, fall, or other negligent act, the Law Offices of [RITE Law](#) are here to assist you. With a strong reputation in the Jacksonville area, we have helped numerous clients seek justice and secure the compensation they deserve.
