At Petty Pest Control, we are licensed by the Ministry of the Environment of Ontario to provide quality and affordable bed bug heat treatment and extermination services in Hamilton. Instead of using chemicals to poison and kill these pests, our bed bug heat treatment in Hamilton relies on temperatures that exceed 113°F to kill bed bugs in every stage of life and completely eradicate even the most well-hidden bugs.

Petty Pest Control Services for affordable 24/7 raccoon and squirrel removal, bed bug exterminators, and more in Toronto, Hamilton and the Niagara region.
