Plastic surgery clinic in Mumbai - Lasercosmesis

Gandhi Nursing Home.106, Garden View,
Lokhandwala Complex. Andheri (west)

info@lasercosmesis.com

Plastic surgery for cosmetic reasons or for any deformity is popular nowadays. In addition to restoring lost self-confidence and self-esteem, plastic surgery also improves the appearance of the face and adds shape and curves to the body figure. Plastic surgery can be used to provide patients with the desired outcomes. Dr. Medha Bhave performs effective plastic surgery at Lasercosmesis, the best [plastic surgery clinic in Mumbai](#). The doctor performs procedures such as gynecomastia, blepharoplasty, facelift, lip enhancement, lip reduction, liposuction, and rhinoplasty. These procedures are all tailored to the individual's needs. Visit the clinic to learn more about any procedure in particular.
