Portland Dental, located at 1265 US-181 Frontage in Portland, TX, is dedicated to providing top-tier dental services in a welcoming and patient-focused environment. Led by Dr. Sumeet Singh Malhotra, a seasoned dentist trained at Boston’s Henry M. Goldman School of Dental Medicine, the clinic emphasizes personalized care tailored to each patient's unique needs.

The clinic offers a broad spectrum of dental services, including general dentistry procedures like examinations, composite fillings, and gum disease treatment, as well as cosmetic services such as veneers, dentures, dental bridges, crowns, and tooth extractions. Utilizing advanced technology, including digital X-rays with minimal radiation, Portland Dental ensures accurate diagnoses and effective treatments.
