RDR LIGHTING is Shirley, New York's go-to lighting contractor for those seeking to enhance their property with innovative and beautiful lighting solutions. Specializing in landscape lighting design, our skilled team works meticulously to illuminate your outdoor spaces in ways that captivate and impress. We pride ourselves on providing personalized low voltage lighting plans that not only accentuate the beauty of your home but also cater to functional needs such as security and visibility. Our permanent [lighting installations long island](#) are designed with longevity in mind, ensuring they withstand the elements and continue to brighten your evenings year-round. From accent lighting that highlights architectural features to game day lighting that showcases your team spirit, we cover all aspects of exterior illumination. When the holidays roll around, count on us for festive holiday lighting that brings joy and warmth to any celebration. RDR LIGHTING is committed to delivering top-notch service and stunning results for every project we undertake.
