Welcome to [REACH Therapy Services](#), your local source for exceptional pediatric therapy in Searcy, AR. Our clinic specializes in several key areas designed to support the developmental growth of children: pediatric physical therapy, [speech therapy](#), occupational therapy, and applied behavioral analysis are among our core offerings. With an emphasis on sensory processing and overcoming developmental delays, our skilled therapists work diligently to create personalized treatment plans for each child. By employing innovative techniques and creating a supportive atmosphere, we aim to help every child achieve new milestones at their own pace. At REACH Therapy Services, we believe in empowering young individuals with the tools they need for success both now and in future endeavors.

Services: pediatric physical therapy, speech therapy, occupational therapy, applied behavioral analysis, sensory processing, developmental delay

Company Hours: Monday to Friday: 08:00 - 17:00, Saturday & Sunday: Closed
