For 25 years, Russo's New York Pizzeria and Italian Kitchen has expanded across the US and globally, including in the UAE, Saudi Arabia, and the Philippines. With over 50 locations and committed franchisees, our goal is to bring authentic New York-style pizza and a taste of Little Italy to communities worldwide. Our success is rooted in the Russo family's promise: "If it isn't fresh, don't serve it." Our secret sauce? Exceptional food paired with an outstanding family experience. As we expand into new markets, we're bringing authentic New York-style pizza and fresh-made pasta to areas where it's currently unavailable. We offer a multi-unit incentive program to fuel our expansion into new markets, aiming to reach 100+ locations by 2026.
