Ryan Group is an educational institution established with the purpose to empower and enable students for shaping their bright future. Ryan Group was started first in 1976 and since then it is consistently growing and providing the best education in India and globally. Ryan Group is India's leading K-12 chain of schools that provides quality education and aids students to think out of the box, explore and participate in extracurricular and social activities.

At Ryan Group, we believe that every child should be empowered and think beyond boundaries, and develop consistently. Our schools are one of the reputed and recognized institutions where we educate our students with the use of smart and innovative latest learning tools. Which enables each child and make them think out of the box and excel in academics and also nurture talents.
