**Shijiazhuang Lechan Packaging Co., Ltd.** is specialized in producing **plastic & glass bottles**. The products mainly include **essential oil bottles**, dropper bottles, cream bottles and jars, shampoo bottles, foam bottles, glue bottles, nail polish bottles, and other **cosmetic packages**. And all of our products can accept customized.

We have a branch office: Hebei Dalizhen Technology Co., Ltd., in addition to plastic bottles and glass bottles, our main products are **luxury customized cosmetic packages**.

With years of developing in cosmetic packaging industry, our owns experienced engineers, productions technicians, quality check and sales teams to meet your requirements for cosmetic packaging projects.

We have our own factory to produce the bottles to ensure qualified products. We have many years of business partners to provide high quality raw materials, and have our own quality inspection team to ensure the normal operation of the production process. We will wrap a pp bag around the bottle, and then put the bottles to carton, in order to prevent the process of transport scratches.
