Dr Ashish Jain is a renowned dental surgeon and Implantologist in Indore. He is the founder and the managing director of Smile Dental clinic, established in 2006. With 17 years of dedicated practice and an abiding vision of bringing dentistry to the highest standards of quality and solace, Dr. Ashish Jain has opened a multispecialty, technologically advanced branch of smile dental clinic at greater brijeshwari in Indore. Dr Ashish Jain started his journey in dentistry from Govt. Dental College, Indore. After graduating in 2003. Dr Ashish Jain had a very keen interest in root canal treatment and implant dentistry. He has attended countless courses and conferences to master his skills and today, he is an exemplary root canal specialist and Implantologist, practicing single sitting painless rcts, 3d obturations, microscopic endodontic, single to full mouth implant rehabilitation, ridge splits and sinus lift surgeries.
