sonico@soniauto.com

Sonico is one of the leading experts in the manufacture and supply of conventional and Parabolic Leaf Springs for commercial vehicles in India. The company currently has two manufacturing facilities at Jamshedpur, with a third facility up and coming in short time. Sonico Leaf Springs boasts of having long-term business relationships with many of the leading companies in the automotive industry in India. Our product designs are inspected at every stage of production to ensure that there is no compromise with regards to quality. Consistent product quality, on time delivery and focus on complete customer satisfaction is our main objective.
