Based out of Salt Lake City, Utah, Spruce is a premier aesthetics and infusion bar that provides top-notch services to uplift your mood, accelerate metabolism, energize your body, and restore your natural beauty. Formed originally as Olympus Health and Performance by a team of licensed medical professionals, it has come a long way and provides a wide range of aesthetics and infusion services to its diverse clientele. Some of our services include Botox & Dysport, Dermal Filler, Lip Injection, Hair Reduction and Restoration, Surgery Free Facelifts, IV Therapy <http://the-good-health-guide.com/who-needs-iv-therapy/>, Vitamin Shots, Hydrafacial, Chemical Peels, Microneedling, Brow Treatments, Lash Treatments, Waxing, Laser Hair Reduction, Laser Skin Treatments / Skin Resurfacing / Skin Tightening, etc. With our advanced technology and cutting-edge treatment methods, we help you look and feel rejuvenated, healthy, vibrant, and your absolute best. Our spa-like aesthetic treatments and infusion therapy offer you a blend of health and beauty. With an experienced team of aestheticians, nurses, and medical professionals, we replenish your body with the essential nutrients and reverse the clock to offer you youthful skin. Our minimally and non-invasive procedures require zero downtime and fit a pampering skincare routine in your busy schedule. For details about our services, visit our site at <https://sprucespa.com/aesthetics-services/> & <https://sprucespa.com/aesthetics-services/botox/>.
