Stacy Rossetti is a seasoned real estate investor, entrepreneur, and coach with a deep passion for self-storage investing. With over a decade of experience in the industry, Stacy has successfully acquired, managed, and scaled multiple storage facilities, transforming them into profitable ventures.

As the founder of the StorageNerds coaching program, Stacy has dedicated her career to teaching aspiring investors how to find, fund, and run their own storage facilities. Her practical, step-by-step approach has helped countless students achieve their financial goals and build sustainable businesses in the self-storage niche.

Stacy is also the author of the book Find Them Fund Them Run Them: The Ultimate Blueprint to Buying Your First Storage Facility, where she shares the proven strategies and insights she has developed over years of hands-on experience...
