substance abuse disorder occurs when a person's use of alcohol or another substance (drug) leads to health issues or problems at work, school, or home..LifeInSight BioTherapeutics is a 501(c)(3) non-profit organization that was established to fund collaborative research designed to optimize treatments for mental illness and substance use disorders. In 2016, a team of elite scientists from some of the most prestigious medical universities in the country formed an alliance to develop such treatments.Contact us today!
