Founded in 1975, Surelia Industries manufactures lathe machines in India. There are various lathe machines we offer, including Light Duty Lathe Machine, Industrial Lathe Machine, [All Geared Lathe Machine](#), and Flat Bed CNC Lathe Machine. We use premium-quality raw materials and advanced technology to produce Machines for turning, shaping, and cutting metal. All of our machines are designed for heavy-duty use and are available to suppliers throughout India. We are happy to provide you with more information if you need it.
