- Synergy Eye Care has branches in Delhi and Gurgaon, which provide comprehensive super-specialty eye care services using the best in technology and skills.
- The South Extension Centre in Delhi is NABH Accredited.
- The Centres are equipped with the cutting edge technology with the latest machines to provide advanced eye care services. We receive regular referrals from our Ophthalmic and Physician colleagues to manage their difficult cases.
- The Excellent Infrastructure facility is supplemented with a very motivated and dedicated team of staff members who are willing to go an extra mile to make the patients comfortable and to ensure the quality of services and the safety of the patients and the attendants.
