PAIN MANAGEMENT CLINIC

Texas Partners Health Care Group is a leading pain management clinic in Texas. We treat a wide range of pain including neck pain, back pain, shoulder pain, arthritis pain, joint pain, hip pain, knee pain, and more. If you live in Frisco, Texas and are struggling with chronic pain or dealing with pain from a recovering injury give us a call!

Texas Partners Healthcare Group has a team of experienced physicians that are board-certified in anesthesiology and have state-of-the-art medical equipment to provide the most comprehensive pain management care possible.

Our goal is to diagnose and properly treat acute and chronic pain patients and get them back to living a normal life as quickly as possible!
