If you've ever considered a career as a healthcare professional, a dental hygienist career might be right for you. Dental hygienists are important members of the dental health care team who work with dentists in providing dental care to patients. Hygienists use clinical knowledge and skills to advise patients on dental health care. These dental professionals should love helping people, enjoy working with their hands, and be interested in helping prevent disease. The dental hygienist profession offers women and men of all ages and backgrounds excellent career opportunities.
