First Appointment Tips

- * New patients are welcome
- * Our friendly and experienced staff will ensure a positive visit and a thorough examination
- * New patients are encouraged to arrive about 10 minutes early to allow for time to fill out the new patient information form
- * Please feel free to bring your children along for your dental visit so they understand the importance of good oral hygiene and you should talk to them about the significance of good oral health. Talk to them about what a dentist does during the appointment
