Injured on the job or harmed due to someone else's negligence? We've got your back. From car accidents and slip and falls to workplace injuries and wrongful termination, Richard Guzman helps you understand your rights and fights for the compensation you deserve. With deep legal insight and experience handling both injury and employment law, he's ready to challenge insurance companies and employers alike. You'll get clear updates, open communication, and access to top experts to build a strong, evidence-backed case. Whether it's a serious injury or an unfair work situation, trust a Miami lawyer who won't stop until you get justice.
