No matter what kind of stone feature project you're working on; whether it's a walkway, outdoor patio, water feature with flagstone, or any other creative design; we know you will be impressed and inspired by the services and products from Tiger Stone. Our extensive product list can be custom-made in flagstone, dry stack, dimensional cut, saw cut patio, random builders, hammer broke, regular, and sawn chop. We pride ourselves on the quality of our customer service, and with satisfied custom-designers all across the central Texas area, we want nothing more than to share our high quality products and services with you to help get the job done right.
