Ungligames is the only multigaming, online cricket fantasy and online fantasy football platform in India that offers all types of fantasy cricket and fantasy football formats to play and win large real cash prizes from, everyday.

Ungligames app is the only app in India that offers a real cash bonus of Rs 500 plus 13 free tickets that you can use to play Rank Cricket fantasy and Fatafat Cricket and Fatafat Football fantasy games all on one app.

Founded in 2021, UngliGames, is the brainchild of Rishab Mathur and Sudhir Kamath, the same team who brought about a disruption in the online poker space in India three years ago with their well-established startup 9stacks.

Ungligames is now set on disrupting the fantasy cricket and fantasy football industry with UngliGames through innovative, skill-driven formats and smart marketing growth hacks.

UngliGames offers engaging gaming experience to the users, where they can leverage their knowledge and skills of cricket, football and other sports in creating their teams, ranking their players and competing with other fans.

The popularity of fantasy sports in India is growing very fast and is becoming the preferred choice for skill-based games among the youth.

UngliGames is determined to make its mark in this industry with its product innovations, slick user experience and transparent systems.

Breaking through the clutter of the existing format of fantasy cricket and fantasy football, UngliGames has introduced two innovative formats, Boost Fantasy and Rank Fantasy. These formats are ideal for skilled users and reduce the variance of sports.

We have also introduced Fatafat Fantasy- India's quickest way to play fantasy football and fantasy cricket where you have to just choose from expert made teams , All you have to do is enter the contest by choosing teams and using your free tickets to win from dynamic real cash prize pools.
