Uratech USA Inc. designs and manufactures [CNC](#) tool storage products. Uratech is sincerely committed to providing customers with leading-edge technology.

Our primary objective is to meet or exceed the requirements of our customers. We have achieved this with excellence through efficient and effective performance, quality workmanship, professionalism, competitive pricing, and on-time delivery. Above all, we emphasize the quality of work we deliver to satisfy our customers' ideal needs.

Uratech has grown from strength to strength by meeting the challenging and changing needs of its clients. Uratech started its journey as a small machine shop and has now grown to manufacture high-quality and reliable products for the metal manufacturing industry, including CNC Tool Carts, Tool Scoots, CNC Work Stations, and many others. By delivering quality products and ensuring customer satisfaction, we have been able to grow our business. As a trusted partner in the manufacturing industry, we are dedicated to delivering excellence for your business growth. "Unleash the epitome of CNC tool organization with our expertly crafted storage solutions. As pioneers in the field, Uratech USA Inc design and manufacture a comprehensive range of CNC tool storage products, meticulously tailored for various holders including CAT 40, BT 40, CAT 50, BT 50, BT30, CAT 30, HSK, KM, VDI, and CAPTO.
