White River Academy, located in Delta, Utah, is a premier residential treatment center and therapeutic boarding school for adolescent boys aged 12 to 18. Our experienced team of therapists and staff specialize in helping families navigate and heal from early childhood trauma, sexual compulsions, pornography addiction, gaming addiction, substance abuse, reactive attachment disorder (RAD), and other mental health challenges. Through evidence-based therapies, personalized care plans, and a structured healing environment, we empower young men to rebuild trust, emotional stability, and lifelong success. Families seeking lasting recovery and transformation can count on our compassionate, results-driven approach to adolescent behavioral health.
