Logo

we can add your customized logo to the product.

[Tagine pot](#) is also called Moroccan pot, a micro pressure cooker with a high lid.

Tagine pot can minimize water loss because its triangular, conical shape allowed the steam cycle to rise. Need little water only in the cooking process, water vapor drops evenly to go up in feed material, can the original flavor that maintains food maximally and nutrition. The body of the pot is cast iron, which retains all the advantages of cast iron pots, healthy, even heating and distribution. The lid is ceramic material and with a cone shape, which makes all the steam cyclic to the pot during cooking. Size and color can be customized, we can also add your logo onto products.
