Moving to a new place is not that easy as you lose some bonds, some beautiful memories with your family and friends and of course celebrations at your old house but you can preserve your memories in frames. Frames can be the best option for decorating your walls in a low budget. [Packers and Movers in Bangalore](#) suggest you to keep a separate budget for your new home decor. Well frames are not so expensive so surely everyone can buy them but Packers and Movers Bangalore will give you some DIY ideas to save your hard earned money. After all you don't know how good or bad your new home walls look like, if one cannot invest much over paints or wallpapers or even with show pieces then don't worry with these framing ideas you can easily restore your memories and can also fill the empty or little broken walls well with these furnishing ideas when moving to a rented or own house

Picture frames will not only help in decorating your walls but also help you in hanging some beautiful pictures which will make your day wonderful by just looking at them. **Packers and movers in Bangalore** will give you some very quick ideas to decorate your empty walls.

It seems to be quite interesting by reading the name and so it is. What you have to do is just arranging all your family photos in a large collage according to your wall size or whatever size you want to have. Either spend little to prepare this collage or make these pictures to be print in color, take a cardboard color it or simply paste a nice background sheet. Then paste all your pictures randomly and finally make it frame with so cheap investment.

Movers and packers in Bangalore suggest you to either place this collage in living room or bed room as that would be the best place to have it.

Well these frames are quite popular as it is very easy to make and you just need some popsicle sticks to make the entire frame. You can make frames to whatever size you want. Popsicle is basically ice-cream sticks which are very cheap and easy to find in stationeries. Buy bundles of popsicles in just RS 30, get them stick to your favorite size or manner. Paint it or either decorates it with ribbons, mirrors, beads, stars and other decorating items. Place them randomly over walls making an unusual design just to cover the wall. Its best, effective, cheap, handy and very trending as well at the same time. Have different color blast over your walls with this trick.

Packers and Movers in Bangalore suggest you to make small frames or medium sized frames and hang them in your living room.

Well these frames comes first when comes to budget friendly, also these looks so authentic and elegant hence simple. If you have renovated your new house furniture then probably the left up wood pieces can help you out very easily.

Image not found or type unknown

Packers and movers Bangalore suggest you to color these frames according to the wall color.

These picture frames require just the cutout of cardboard and it can be done in any shape but usually preferred in ring shape as that looks more beautiful than other shapes.

You can cut rings of any size but make sure to cut according to the picture size you want to insert.

Top and Best Packers and Movers Bangalore suggest you to print some pictures in the ring shape and then use them in these frames.

Well the name suggest to use the soft wood but that's not right as the frame signifies to use any soft material over the wood frame like cotton, cloth material, threads, etc.

These frames look so pretty. **#Best and #cheap #Movers and #Packers in #Bangalore** suggest you to also add some fairy lights around the frame and sprinkle some glitter over the boundaries to make it look more beautiful.

These frames will not only make your empty walls look vibrant but also help you hide your keys. These frames can be either bought or prepared at home.

[Movers and Packers in Bangalore](#) suggest you to tick this in your list if you are someone to forget your keys here and there.

These frames will keep your keys safe and secure. Make a thick border frame which can easily get open from one end, and you can put your special keys inside it. Do not add any handle to open it which can simply signifies the secret.

These frames look very beautiful as it showcases a lot of pictures in a single frame. It is very easy to make it at home and also not so time consuming so Top Packers and Movers Bangalore suggest you to try this out for your living room as this will definitely attract all the eyes over it.

Well sequin is not only popular for classy, stylish clothes but also for home decor. Sequin has a unique quality of adding glamour. It will surely make your house look more stylish and funky.

Local Packers and Movers Bangalore suggest you to try some sequin frames for your bedroom to make it look more vibrant. Buy sequin cloth from market, cover the frames with pasting the cloth in different color and combo. Also with this it's very easy to change the frame color according to your mood by just dragging the sequin from top to bottom or vice-versa.

So these were some very easy and quick DIY ideas for your empty walls. All the frames mentioned above can be prepared by learning from internet step by step.

Packers and movers in Bangalore also remind you to carefully select the color and design of the frames according to the wall color or interior of your house.

You can use threads, cotton, buttons, wax color grates, newspaper cuttings or anything from your house. Use all your creativity and ideas to make your new house look beautiful.

You can also buy frames online at cheap costs so if you are someone who cannot invest time in these DIYs frame then **Movers and Packers Bangalore** suggest you to go through internet and find some budget friendly home **décor** items to decorate your new house and make it look like your dream house.
