Copyright registration in India ensures legal protection. Copyright is a right that gives the exclusive rights to the creator of an original work to use it, reproduce it, and commercialize it for a limited time. Copyright registration is the process by which creators of original works secure legal recognition and protection of their intellectual property rights.

Get Reliable **Trademark and Copyright Registration Services** in Ahmedabad. Ensure Legal Protection for Your Brand with Our Expert Services. Quick and Easy Process.

Copyrights evolve from the creation of different types of works which may include Artistic works, Literary works, Dramatic works, Musical works, Cinematographic works, Sound recordings, Broadcasts, etc. Computer software is included in the definition of “literary work”.
