The book is a photographic and poetical Sabbath of a spiritual seeker's journey which takes him across landscapes of his own self, unfolding a new hue of colors and projections as he travels by. The various ecstasies, challenges, mystical experiences, dilemmas, and realizations outburst from his persona at different points on his timeline and make him eligible to become a wholesome and enlightened human being. Through 108 poems (each accompanied by a pictorial depiction), the book is a mirror for every seeker who can laze in these reflections and then allow his own discovery to unfold magically. The poems are classified under several headings to give a structure and flow to the projections.
