Growing age results in pigmentation, fine lines, acne, uneven skin tone, etc. These skin conditions become prominent on the face and affect one's appearance if not treated at an early stage. Apart from this, skin diseases such as psoriasis, fungal infection, eczema, also need immediate treatment by an expert. These skin diseases can get severe with time and hence, one must take medical assistance. Dr. Rasya Dixit is the [best skin specialist in Bangalore](#), Koramangala treating all dermatological problems for the past 13 years. She founded Dr. Dixit Cosmetic Dermatology Clinic to provide the best and excellent cosmetic and evidence-based dermatology treatment along with her team. Visit a skin specialist to know more about skin disorders and treatments at Dr. Dixit Cosmetic Dermatology Clinic in Bangalore.
