Indigo is one of the most popular budget airline of India founded by Rahul Bhatia and Rakesh Gangwal, providing a punctual & hassle-free experience to flyers. Indigo airline has live status enquiry facility and with the help of that, one can [Check Indigo PNR Status](#) and get the updated status of ticket.

In order to check [Indigo Airlines PNR Status](#), passengers have to go to the 'View/Modify booking' tab on the official airline's website. They have to then enter details like the PNR number or booking reference number, passenger last name or email address etc. After hitting the view booking, it will display the ticket. Now you can now either email or print the ticket.
