Renault Kiger has an amazing exterior look with the dual tone option available across all variants. On the front, the Renault Kiger has a chrome grille housing the tri-octa pure vision LED headlamps with LED DRLs. On the rear, the C-shaped signature LED tail lamps leave a lasting trail. Also, the shark fin antenna and the spoiler on the rear make a solid impression. The car looks attractive from every angle. Inside, the Renault Kiger comes equipped with high-end features like an 8-inch touchscreen infotainment system with Apple CarPlay and Android Auto, wireless charging, automatic climate control, drive modes, cruise control, fully digital instrument console, ambient lighting, rear AC vents, and an air purifier. So, brace yourself for the ride of a lifetime!

The all-new suave and stylish Renault Kiger is a complete family car in terms of safety measures and protocols.

Moreover, Renault offers the benefits of **authorised buying experience** like doorstep demo, offers & discounts, lowest EMI, and exchange benefits to its valued customers.
