Quickest tool for your everyday tendering needs

Meet BidFast by Edubild; the simplest and quickest tool for your everyday tendering needs. Bidfast is a [RFP software](#) that provides the framework and collaboration tools that bidding teams need to win more projects.

As a one-of-its-kind tender automation tool, BidFast automates the tedious process of creating technical proposals in response to procurement notices.

This way BidFast allows companies to create their tender proposal in a few clicks, reducing the time taken to create a proposal from 24 hours to just 5 minutes, and thereby significantly saving time and costs.
